Union County Chamber of Commerce
Eat Local Union County

Mission:

Connect producers and consumers to create a local foods-minded community.

Collaborate with fellow producers and consumers to promote awareness of local foods.

Inspire local economic development.

Initiatives:

1) Create community awareness in Union County:

- a. Committed to safe, quality, wholesome products
- b. Promote the rich, rural heritage and agri-economic development in Union County
- c. Partner with industry allies and supportive organizations
- d. Represent locally produced, raised, or grown foods on the Union County Chamber legislative committees
- e. Encourage opportunities that promote responsible agriculture or local food development
- f. Provide a reputable Union County voice for state and national local food issues
- g. Be a source for factual information

2) Promotion and Education:

- a. Promote local businesses providing a locally raised, grown, or produced food
- b. Educate local food providers about resources that may help them grow or advance
- c. Encourage and sponsor value added programs
- d. Promote professional, modern farming methods that lower the carbon footprint
- e. Identify opportunities for local food producers
- f. Support promotion of local events
